BAADER INVESTMENT CONFERENCE - A GREAT OPPORTUNITY TO MEET LISTED COMPANIES AS WELL AS INSTITUTIONAL INVESTORS

For the thirteenth year in a row, Baader Bank Group is hosting its capital markets conference in Munich, Germany.

As in previous years, the Baader Investment Conference, this year taking place from 23 - 26 September, will offer investors the opportunity to get in touch with a wide range of listed companies. The conference format proved to be popular and will therefore be continued. In addition, the companies from Germany, Austria and Switzerland will again be complemented by corporates from other European markets such as Spain, The Netherlands and France.

Last year over 700 investors from 30 countries took part in the Baader Investment Conference. The total number of individual and group presentations came to around 3,000, with investors looking to engage in intensive dialogue with representatives of 230 companies.

In addition the Vermögensverwalter-Forum (German-speaking) will take place on Thursday, 26 September 2024.
